Map updated 10/2020

On 9/7/2020 wildfire devastated Malden and Pine City, and damaged trestles on the trail. The trail is now closed between its intersections with Hole-in-the-Ground Rd and Squaw Rd. Use Stephen Rd. and Pine City-Malden Rd to complete the detour through Pine City and Malden. Out and back trips to Rock Lake are still possible from Hole-in-the-Ground Rd.
